

## **CORRECTION**

**Incorrect Table Title.** - An error occurred in the article entitled "Agricultural Herbicide Use and Risk of Lymphoma and Soft-tissue Sarcoma," published in the Sept. 5 issue of THE JOURNAL (1986:256:1141-1147). On page 1144, the title of Table 3 should have read as follows: "Table 3.-Non-Hodgkin's Lymphoma in Relation to Duration, Frequency, and Latency of Herbicide Use Among 2,4-Dichlorophenoxyacetic Acid Users" (not "... Duration, Frequency, and Latency of 2,4-Dichlorophenoxyacetic Acid Use").
